

# Quality Policy

In accordance with MCL's Quality Management System and our **Quality Manual, REV 8**, our Quality Policy is as follows:

***We, the Employees and Managers of Metroworth Consulting (Europe) Limited, proudly announce our personal commitment to understand, meet and, where possible, exceed our Customer's requirements through the continuous improvement of our internal processes and procedures.***

***As a company, we aim to achieve the above by implementing a management system that complies with the International Standard of good practice BS EN ISO 9001.***

***We are dedicated to delivering at the most competitive cost possible and with assurance of conformity to not only customer but also applicable statutory and regulatory requirements.***

***Metroworth Consulting (Europe) Limited endeavours to always provide high levels of customer satisfaction and adopts risk management strategies to identify, treat and control business risks to ensure that all interested parties with relevance to the business, have their requirements met.***

***The Quality Manager is responsible for monitoring the company's quality system and reports regularly to the Managing Director on the system's implementation, status and effectiveness.***

This Quality Policy will be communicated to staff via:

- Its presence within the Quality Manual, which will be made readily available
- Employee induction
- Regular communication following amendments to the Quality Manual and / or any of its policies.
