

Quality Policy

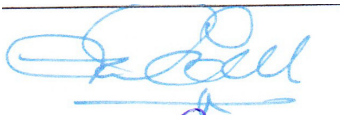

In accordance with MCL's Quality Management System and our **Quality Manual, REV 3**, our Quality Policy is as follows:

We, the employees of Metroworth Consulting (Europe) Limited, proudly announce our personal commitment to understand, meet and, where possible, exceed our Customer's requirements through the continuous improvement of our processes in accordance with ISO 9001:2008. We are dedicated to delivering at the most competitive cost possible and with assurance of conformity to customer and applicable statutory and regulatory requirements.

This Quality Policy will be communicated to staff via:

- Its presence within the Quality Manual, which will be made readily available
- Highlighted at Employee induction
- Reviewed and communicated annually (Management Review Meeting).
- Amended / new procedures will be added to the Quality Manual and communicated at the appropriate time.

A signature from an organization official indicates approval of the information contained herein.
