

Recruitment Scams

The Metroworth Group does **NOT** charge candidates an advance fee of any kind (e.g., placement fees, immigration processing fees, etc.). Unfortunately, we've been recently made aware of unauthorised individuals using the Metroworth name and logo in emails, in telephone calls and on websites in an attempt to solicit up-front fees and personal information from interested job-seekers.

Metroworth does engage in online / telephone recruiting to help us identify potential candidates for specific positions at our company's expense.

If you believe you have been the victim of one of these recruitment scams, please contact your in-country Government Anti-Fraud team or you can reach us directly at info@metroworth.com
